THE BIG PICTURE

1,000 tonnes of cod fish caught in a single month, the most in any one month since 1990, says an auctioneer at Kingsgate. The fish were sold for a total of £1.2 million, a record for the fishery. The fish were sold for a total of £1.2 million, a record for the fishery. The fish were sold for a total of £1.2 million, a record for the fishery.

Wages a major issue for the industry. The industry is a major issue for the industry. The industry is a major issue for the industry. The industry is a major issue for the industry.
